Cucusoft YouTube Mate (Downloader + Player + Converter, all in one) A free YouTube Download and playback software.

Cucusoft YouTube Mate - is the most powerful YouTube assistant on the planet. It is free for downloading videos any playback.

YouTube Mate helps you download, convert, play and manage your favorite YouTube videos... and it's very easy to use. If you're a YouTube fan, you'll love YouTube Mate!

YouTube Mate easily:

- \* downloads YouTube videos
- \* supports unlimited simultaneous downloads (a real time saver!)
- \* automatically names the downloaded video the same as the YouTube title
- \* converts YouTube videos to various video formats, including avi, DivX, XviD, rm, rmvb, MOV, MPEG, and WMV (Only full version includes this feature.)

With YouTube Mate you can also convert downloaded YouTube videos to a format compatible with your favorite portable device; including &ndash; iPod Video, iPod Touch, iPod Nano, iPhone, Zune, PSP, as well as video capable MP3 players, video capable mobile phones, and Pocket PC.

And finally... YouTube Mate's embedded player will allow you to watch all your favorite YouTube videos off-line. So now you can enjoy any .flv and .swf videos anytime!
